

ALL I WANT TO DO IS MAKE LOVE TO YOU

Intro: 8 measures

It was a rainy night when he came into sight,
Standing by the road, no umbrella, no coat.
So I pulled up alongside and I offered him a ride.
He accepted with a smile, so we drove for a while.
I didn't ask him his name, this lonely boy in the rain.
Fate, tell me its right, is this love at first sight?
Please don't make it wrong, just stay for the night.

All I want to do is make love to you. Say you will you want me too
All I want to do is make love to you. I've got lovin' arms to hold on to

So we found this hotel, it was a place I knew well
We made magic that night. Oh, he did everything right
He brought the woman out of me, so many times, easily
And in the morning when he woke all I left him was a note
I told him "I am the flower you are the seed"
We walked in the garden we planted a tree
Don't try to find me, please don't you dare
Just live in my memory, you'll always be there

All I want to do is make love to you. One night of love was all we knew
All I want to do is make love to you. I've got lovin' arms to hold on to

Oh, ooh, we made love, love like strangers. All night long we made love

Then it happened one day, we came round the same way
You can imagine his surprise when he saw his own eyes **(stop)**
I said "please, please understand I'm in love with another man
And what he couldn't give me oh woh was the one little thing that you can"

All I want to do is make love to you. One night of love was all we knew
All I want to do is make love to you. Come on say you will, you want me too

All I want to do is make love to you. One night of love was all we knew
All I want to do is make love to you. Say you will, baby you want me too

All night long **(All I want to do is make love to you)**
All night long **(All I want to do is make love to you)**
All night long **(All I want to do is make love to you)**
All night long **(All I want to do is make love to you)**

Ad lib to end
