

BELIEVE

Intro:

No matter how hard I try you keep pushing me aside.
And I can't break through. There's no talking to you.
It's so sad that you're leavin'. It takes time to believe it.
But after all is said and done you're gonna be the lonely one.

Oh, **do you believe in life after love?**

I can feel something inside me says I really don't think you're strong enough now.

Do you believe in life after love?

I can feel something inside me says I really don't think you're strong enough now.

What am I supposed to do sit around and wait for you.
Well I can't do that. And there's no turnin' back.
I need time to move on. I need love to feel strong.
Cause I've had time to think it through 'n' maybe I'm too good for you.

Oh, **do you believe in life after love?**

I can feel something inside me says I really don't think you're strong enough now.

Do you believe in life after love?

I can feel something inside me says I really don't think you're strong enough now.

Well I know that I'll get through this. Cause I know that I am strong.
I don't need you anymore. I, I don't need you anymore.
Oh, oh I don't need you anymore. No, I don't need you anymore. **(stop)**
