

# BIG DEAL

## Slow gospel keyboard through first verse

Well he used to be mine. Not so very long ago.  
I was crazy to ever let him get away. But girl you should know better  
Than to go bragging in my face. So forgive me for what I'm 'bout to say.

Big deal, || so what, || who (start) cares.

You just got lucky that's all it was, shut up.  
Don't want to hear another word about candlelight and long stem roses  
And how you're fallin' head over heels in love, so what, big deal

He's perfect, I heard ya the first ten times that you told me  
Yeah, yeah it's amazing, it's lovely; I can't believe I let him go  
Whoa, whoa I regret it, (regret it) there I said it, (said it) you call yourself a friend  
But you just keep a rubbin' it in.

Big (stop) deal, || so what, || who (start) cares.

You just got lucky that's all it was, I swear.  
If I hear another word about candlelight and long stem roses  
And how you're fallin' head over heels in love, so what, big deal.

## Guitar solo: 8 measures

(Slow Beat) (aah) Congratulations, I'm just so happy for you  
(aah) I can't contain the way I feel

Big deal |||| (stop) big deal, || so what, || who (start) cares.

You just got lucky that's all it was, shut up.  
Don't want to hear another word about (ooh) candlelight and long stem roses  
And how you're fallin' head over heels in love, so what, big deal
