

BOOGIE WOOGIE CHOO-CHOO TRAIN

Baby likes to rock it like a boogie woogie choo-choo train (train train)

You know she likes to take me dancin' on the outskirts of town
Where the music's turned up and the lights are turned down
Shake it shake it shake it on the dance dance floor
Crowd crowd screamin' screamin' more more more

Got the boogie woogie woogie woogie spread all over the place

Got it stacked to the ceiling got it stickin' in your face

You know my baby likes to rock it like a boogie woogie choo-choo train

Johnny's in the back room suckin' on his gin
Police are at the front door screamin' let 'em in
Go go go go dancer's busy showin' off her chest
She don't know what she's doin' but she tries to do her best

She got the boogie woogie woogie woogie spread all over the place

Got it stacked to the ceiling got it stickin' in your face

You know my baby likes to rock it like a boogie woogie choo-choo train

Baby likes to rock it (rock it) Baby likes to rock it (rock it)

Interlude:

She said my name was Emergency and asked to see my gun
Said her telephone number was 9-1-1
Got Brother Jimmy on the TV killer on a stereo
Said if you wanna get it you got to let it go

She got the boogie woogie woogie woogie spread all over the place

Got it stacked to the ceiling got it stickin' in your face

You know my baby likes to rock it like a boogie woogie choo-choo train
