

THE BOYS ARE BACK IN TOWN

Guess who just got back today? Them wild-eyed boys that had been away
Haven't changed, haven't much to say But man, I still think them cats are crazy
They were asking if you were around How you was, where you could be found
Told them you were living downtown Driving all the old men crazy

The boys are back in town The boys are back in town
I said The boys are back in town The boys are back in town
The boys are back in town The boys are back in town
The boys are back in town The boys are back in town

Interlude:

You know that chick that used to dance a lot
Every night she'd be on the floor shaking what she'd got
Man when I tell you she was cool, she was red hot
I mean she was steaming
And that time over at Johnny's place
Well this chick got up and she slapped Johnny's face
Man we just fell about the place
If that chick don't want to know, forget her

The boys are back in town The boys are back in town
I said The boys are back in town The boys are back in town
The boys are back in town The boys are back in town
The boys are back in town The boys are back in town

Interlude:

Spread the word around
Guess who's back in town
Just spread the word around

Friday night they'll be dressed to kill Down at Dino's bar and grill
The drink will flow and blood will spill And if the boys want to fight, you'd better let them
That jukebox in the corner blasting out my favorite song The nights are getting warmer,
it won't be long
Won't be long till summer comes Now that the boys are here again

The boys are back in town The boys are back in town
The boys are back in town The boys are back in town
The boys are back in town The boys are back in town
Spread the word around The boys are back in town
The boys are back in town The boy's are back, the boys are back
The boy's are back in town again Been hangin' down at Dino's
The boy's are back in town again
