

A BROKEN WING

Intro: 8 measures 6/4 time

She loved him like he was the last man on earth
Gave him everything she ever had
He'd break her spirit down then come a-loving up on her
Give a little and take it back
She'd tell him bout her dreams he'd just shoot 'em down
Lord, he loved to make her cry
You're crazy for believing you'll ever leave the ground
You said only angels know how to fly.

And with a broken wing she still sings (ooh)

She keeps an eye on the sky (ooh)

With a broken wing she carries her dreams (ooh)

Man, you oughta see her fly

Guitar solo: 8 measures

Then Sunday morning she didn't go to church
He wonders why she didn't leave
He went up to the bedroom found a note by the window
With the curtains blowin' in the breeze.

And with a broken wing she still sings (ooh)

She keeps an eye on the sky (ooh)

With a broken wing she carries her dreams (ooh)

Man, you oughta see her fly

With a broken wing she carries her dreams (ooh)(stop)

Man, you oughta see her fly.....

(With a broken wing ooh)
