

BYE BYE

Intro: 7 measures then | | drum roll

Boy you sure look good there, standing in the doorway in the sunset light
Maybe I read you wrong, thinking you could be my mister right
I was puttin' my heart and soul on the line
Said you needed some time, just a little more time to make up your mind
Well it's been long enough the time is up

Bye, bye love I'll catch you later

**Got a lead foot down on my accelerator and the rear-view mirror torn off
I ain't ever looking back and that's a fact
I've tried all I can imagine I begged and pleaded in true lovers' fashion
I've got pride I'm taking it for a ride
Bye, bye, bye, bye my baby bye, bye**

Interlude: 2 times then | | drum roll

Don't think all those tears are gonna hold me here like they done before
You'll find what's left of us in a cloud of dust on highway four
Baby what did you expect me to do just sit around and wait on you
Well I'm through watching you just skate around the truth
And I know it sounds trite I've seen the light

Bye, bye love I'll catch you later

**Got a lead foot down on my accelerator and the rear-view mirror torn off
Cause I ain't ever looking back and that's a fact
I've tried all I can imagine I begged and pleaded in true lovers fashion
I've got pride I'm taking it for a ride
Bye, bye, bye, bye my baby bye, bye**

(Slow beat)

I lost the game I guess I did my best to win the part
Now I'm leavin here with what's left of my heart

Bye bye love I'll catch you later

**Got a lead foot down on my accelerator and the rear-view mirror torn off
I ain't ever looking back you can count on that
I've tried all I can imagine I begged and pleaded in true lovers' fashion
I've got pride I'm taking it for a ride
Bye, bye, bye, bye my baby bye, bye
Bye, bye oh baby oh (bye bye, bye bye) (stop)
Bye, bye, bye, bye my baby bye, bye**
