

CENTERFOLD

Intro: 8 measures

C'mon

Does she walk does she talk does she come complete
My homeroom, homeroom angel always pulled me from my seat
She was pure like snowflakes, no one could ever stain
The memory of my angel could never cause me pain
Years go by, I'm looking through a girlie magazine
And there's my homeroom angel on the pages in between

My blood runs cold, my memory has just been sold
My angel is the centerfold **Angel is the centerfold**
My blood runs cold; my memory has just been sold
Angel is the centerfold

Slipping notes, under the desk while I was thinking about her dress (do do)
I was shy, I turned away, before she caught my eye (do do)
I was shakin' in my shoes whenever she flashed those baby blues (do do)
Something had a hold on me when Angel passed close by (do do)
Those soft fuzzy sweaters, too magical to touch
To see her in that negligee is really just too much.
