

COURTESY OF THE RED WHITE AND BLUE

Acoustic guitar

American Girls and American Guys
We'll always stand up and salute we'll always recognize
When we see Old Glory flying there's a lot of men dead
So we can sleep in peace at night when we lay down our head

My daddy served in the army where he lost his right eye
But he flew a flag out in our yard till the day that he died
He wanted my mother, my brother, my sister and me
To grow up and live happy in the land of the free.

Now this nation that I love has fallen under attack
A mighty sucker punch came flyin' in from somewhere in the back
Soon as we could see clearly through our big black eye
Man, we lit up your world (drums start) like the 4th of July

Hey Uncle Sam put your name at the top of his list
And the Statue of Liberty started shakin' her fist
And the eagle will fly man, it's gonna be hell
When you hear Mother Freedom start ringin' her bell
And it feel like the whole wide world is raining down on you
Ahh brought to you Courtesy of the Red White and Blue

Interlude: 7 measures stop on 1st beat if 8th measure

Acoustic guitar

Oh Justice will be served and the battle will rage
This big dog will fight when you rattle his cage
You'll be sorry that you messed with The U.S. of A.
'Cause we'll put a boot (drums start) in your ass it's the American way

Hey Uncle Sam put your name at the top of his list
And the Statue of Liberty started shakin' her fist
And the eagle will fly man, it's gonna be hell
When you hear Mother Freedom start ringin' her bell
And it feel like the whole wide world is raining down on you
Ahh brought to you Courtesy of the Red White and Blue

Oh, oh of the red white and blue
Oh, oh, oh of my red white and blue
