

# COWBOYS LIKE US

## Intro: 16 measures

I take off time to time with those crazy friends of mine  
Head out on steel horses with wheels and we ride  
We burn up that road to old Mexico  
Blend in with the desert just we amigos  
And we roll

Cowboys like us sure do have fun  
Racing the wind chasing the sun  
Take the long way around  
Back to square one  
Today we're just outlaws out on the run  
There'll be no regrets  
No worries and such (ooh)  
For Cowboys like us

We talk about living babies and women  
All that we've lost and all we've been given  
We sing about true love lie about things we ain't done  
We drink one more cold one come morning we get up  
And we roll

Cowboys like us sure do have fun  
Racing the wind chasing the sun  
Take the long way around  
Back to square one  
Today we're just outlaws out on the run  
There'll be no regrets  
No worries and such (ooh)  
For Cowboys like us
