Well, Let's all go, down to Dumas Walker
Let's all go, down to Dumas Walker
We'll get a slaw, burger, fries and a bottle of Ski **stop**
Bring it on out to my baby and me.

Yeah we're headed to the drive-in on a Saturday night
Just me and my baby and a six-pack of Lite
Got a pocketful of money and I'm rarin' to go
Down to Dumas Walker right after the show
They'll be shootin marbles in the back of the store
And laying money down on the floor **||**

Well, Let's all go, down to Dumas Walker
Let's all go, down to Dumas Walker
We'll get a slaw, burger, fries and a bottle of Ski **stop**
Bring it on out to my baby and me.

Guitar Solo:

He takes all his orders down one at a time
Don't need a pad he's got a photogenic mind
He don't like the young folks hanging around
He's quick to let ya know we got a law in this town
You oughta see him grin when money walks through the door
The marble king is ready for more **drum roll**

Well, Let's all go, down to Dumas Walker
Let's all go, down to Dumas Walker
We'll get a slaw, burger, fries and a bottle of Ski **stop**
Bring it on out to my baby and me.
