

EXCEPT FOR MONDAY

Intro: 7 measures stop

You look surprised you didn't think you'd see me
Kicking up my heels, paintin' up this town
When you said goodbye, I learned a couple new dances
Cast a couple of glances. I'm on a big roll now.

Except for Monday which was never good anyway
Tuesday I get a little sideways
Wednesday, I feel better just for spite
Thursday and Friday take too long.
Before I know it Saturday's gone
But it's Sunday now and you can bet that I'm alright

Instrumental Break: 7 measures stop

Don't get me wrong, it wasn't always this easy
Getting over you got a little rough on me.
It didn't take too long till I got it together (ooh)
And everyday I thank my lucky stars you set me free. (ooh)

Except for Monday which was never good anyway
Tuesday I get a little sideways
Wednesday, I feel better just for spite
Thursday and Friday take too long.
Before I know it Saturday's gone
But it's Sunday now and you can bet that I'm alright
