

GET DRUNK AND BE SOMEBODY

Intro: 8 measures

Yeah, the big boss man he likes to crack 'at whip
I ain't nothin' but a number on his time card slip
I give him forty hours and a piece 'a my soul
Puts me somewhere at the bottom of his totem pole
Hell, I don't even think he knows my name

Yeah, all week long I'm a real nobody
But I just punched out and it's pay check Friday
Weekend's here Good God Almighty
I'm gonna get drunk and be somebody (aah) (somebody)
Yeah, yeah, yeah

My baby cuts hair at a beauty boutique
Just blowin' and a' goin' 'til she dead on her feet
They walk right in and sit right down
She gives 'em what they want and then she spins 'em around
Hey, I don't think they even know her name

All week long she's a real nobody
But I just picked her up and it's pay check Friday
Weekend's here Good God Almighty
Baby let's get drunk and be somebody (aah) (somebody)
Yeah, yeah, yeah

Slow beat through bridge

We're just average people in an everyday bar
Drivin' from work in our ordinary car
And I like to come here with regular Joe's
Drink all you want be the star of the show

1 2 3 4, 2 2 3 4

All week long a bunch of real nobodies
But we just punched out and it's pay check Friday
Weekend's here Good God Almighty
People let's get drunk (let's get drunk)

All week long we're some real nobodies
But we just punched out it's pay check Friday
Weekend's here Good God Almighty
People let's get drunk and be somebody (aah) (let's get drunk)
Yeah, yeah, yeah
