Intro: 4 measures 2/4 time  
(Mostly bass and bass drum)

A long time forgotten are dreams that just fell by the way  
And the good life he promised ain't what she's living today  
But she never complains of the bad times or bad things he's done, Lord  
She just talks about the good times they've had and all the good times to come **stop**

She's a good-hearted woman in love with a good-timing man  
She loves him in spite of his ways that she don't understand  
Through teardrops and laughter, they'll pass through this world hand-in-hand  
A good-hearted woman loving her good timing man

He like the nightlife, and bright lights and good-timing friends  
When the party's all over she'll welcome him back home again  
Lord knows she don't understand him, but she does the best that she can  
'Cause she's a good-hearted woman; she loves her good timing man **stop**
