

GUYS DO IT ALL THE TIME

Intro:

Got in this morning at 4 am, you're as mad as you can be
Well I was drinking and talking and you know how that goes time just slipped away from
me

By the time I knew what time it was it was to late to call home
Stop carrying on, acting like child. I wasn't doing anything wrong

Guys do it all the time and you expect us to understand
When the shoe's on the other foot you know that's when it hits the fan
Get over it, honey, life's a two way street or you won't be a man of mine
So I had beers with the girls last night Guys do it all the time

I know I left my clothes all over the place and I took your twenty bucks
No I didn't get the front yard cut cause I had to wash my truck
Will you bring me a cold one baby turn on the TV
We'll talk about this later there's a ball game I want to see.

Guys do it all the time and you expect us to understand
When the shoe's on the other foot you know that's when it hits the fan
Get over it, honey, life's a two way street or you won't be a man of mine
So I had beers with the girls last night Guys do it all the time

You look like you just took a long look in the mirror
Tell me, baby, if things don't look a whole lot clearer, ooooh

Guitar Solo:

Get over it, honey, life's a two way street or you won't be a man of mine
