

HAVE YOU FORGOTTEN

Intro: 4 measures

I hear people sayin': "We don't need this war."
Well, I say there are some things worth fightin' for.
What about our freedom, an' this piece of ground?
We didn't get to keep 'em by backin' down.
They say we don't realize the mess we're gettin' in.
Before you start your preachin' let me ask you this, my friend:

Have you forgotten how it felt that day?
To see your homeland under fire, and her people blown away.

Have you forgotten when those towers fell?
We had neighbors still inside, goin' through a livin' hell.
An' you say we shouldn't worry 'bout Bin Laden:
Have you forgotten?

They took all the footage off my TV:
Said it's too disturbing for you an' me.
It'll just breed anger, that's what the experts say.
If it was up to me, I'd show it every day.
Some say this country's just out lookin' for a fight.
Well, after 9 - 11, man, I'd have to say that's right

Have you forgotten how it felt that day?
To see your homeland under fire, and her people blown away.

Have you forgotten when those towers fell?
We had neighbours still inside, goin' through a livin' hell.
An' you vowed to get the ones behind Bin Laden:
Have you forgotten?

Instrumental break: 4 measures

March beat Now I've been there with the soldiers,
Who've gone away to war.

An' you can bet that they they rememebr,
Just what they're fightin' for. **stop**

Have you forgotten **start** all the people killed?
Yeah, some went down like heroes,
In that Pennsylvania field.

Have you forgotten about our Pentagon?
all the loved ones that we lost,
And those left to carry on.

Don't you tell me not to worry 'bout Bin Laden:

Have you forgotten?
Have you forgotten?
Have you forgotten?
