

HEAT WAVE

Intro: 2 drum beats then 3 measures 1 beat (stop)

Whenever I'm with him something inside
Starts to burning and I'm filled with desire
Could it be the devil in me?
Or is this the way love's supposed to be

It's like a heat wave
Burning in my heart (heat wave)
Can't keep from crying (heat wave)
It's tearing me apart (heat wave) (stop)

Whenever he calls (oh oh) my name soft, low, sweet and plain
I feel, (oh oh) yeah yeah well I feel that burning flame (burning, burning)
Has high blood pressure got a hold on me?
Or is this the way love's supposed to be

It's like a heat wave
Burning in my heart (heat wave)
Can't keep from crying (heat wave)
It's tearing me apart (heat wave) (stop)

Interlude: 15 measures 1 (stop)

Sometimes I stare into space tears all over (I can't explain it) my face
I can't explain it (don't ask why girl) don't understand it

(aah) Now that funny feeling has me amazed
(aah) I Don't know what to do my head's in a haze

It's like a heat wave
Burning in my heart (heat wave)
Can't keep from crying (heat wave)
It's tearing me apart (heat wave)

Yeah yeah yeah yeah (burning, burning) Yeah yeah oh oh (heat wave)
