

HEY JUDE

Hey Jude don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Than you can start to make it better

Hey Jude, (tambourine) don't be afraid
You were made to go out and get her
(aah) The minute you let her under your skin
(aah) Then you begin to make it better (Drums start)

And any time you feel the (aah) pain, Hey Jude refrain
(aah) Don't carry the world upon your shoulders
For well you know that it's a fool (oh) who plays it cool
(oh) By making his world a little colder
Na na na na na na na na na (stop)

Hey Jude don't let me down
You have found her now go and get her (remember)
Remember to let her into your heart
Then you can start to make it better

So let it out and let it in
(aah) Hey Jude begin
(aah) You're waiting for someone to perform with
And don't you know that it's just you
(aah) Hey Jude you'll do
(aah) The movement you need is on your shoulder
Na na na na na na na na na (stop)

Hey Jude don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it
Better, better, better, better, better, better
OWWWW
Na na na na na na na na na na hey Jude (repeat a lot)
