

I COULD NOT ASK FOR MORE

Intro: 8 measures

Lying here with you, listening to the rain
Smiling just to see a smile upon your face
These are the moments I thank God that I'm alive
These are the moments I'll remember all my life
I've found all I've waited for and I could not ask for more

Looking in your eyes **seeing all I need**
Everything you are is everything in me
These are the moments I know heaven must exist
These are the moments I know all I need is this
I've found **all I've waited for** yeah and I **could not ask for more**

I could not ask for more than this time together
Could not ask for more than this time with you
Every prayer has been answered every dream has come true
Yeah right here in this moment is right where I'm meant to be
Here with you **here with me** Yeah
