

I HAVE BEEN BLESSED

Intro: 8 measures

I get kissed by the sun each morning,
Put my feet on a hardwood floor
I get to hear my children laughing
Down the hall through the bedroom door
Sometimes I sit on my front porch swing
Just soaking up the day
I think to myself, I think to myself
This world is a beautiful place

I have been blessed. (I have been blessed) And I feel like I found my way (found my way)
I thank God for all I've been given. At the end of every day
I have been blessed. (I have been blessed) With so much more than I deserve (I deserve)
To be here with the ones that love me
To love them so much it hurts
I have been blessed

Across a crowded room
I know you know what I'm thinking
By the way I look at you
And when we're lying in the quiet
And no words have to be said
I think to myself I think to myself
This love is a beautiful gift

I have been blessed. (I have been blessed) And I feel like I found my way (found my way)
I thank God for all I've been given. At the end of every day
I have been blessed. (I have been blessed) With so much more than I deserve (I deserve)
To be here with the ones that love me
To love them so much it hurts
I have been blessed
