

IF YOU SEE HIM, IF YOU SEE HER

Erin, Kelly, Both

Intro: 8 measures

If you see him tell him I wish him well,
How I'm doing, well sometimes it's hard to tell,
I still miss him more than ever,
But please don't say a word,
If you see him, oh if you see him,

If you see her, tell her I'm doing fine
And if you want too, say that I think of her from time to time
Ask her if she ever wonders where we both went wrong,
If you see her, If you see her

Oh, I still want her,
And I still need him so,
Oh, I don't know why we let each other go

Interlude: 8 measures

If you see her, tell her the light's still on, for her,
Nothing's changed, deep down the fire still burns, for him
Both: And even if it takes forever, say I'll still be here,

If you see him,
If you see her
If you see him,
If you see her
