

IN THE MOOD

Sister what-ya-callin what you doin tonight
Hope you're in the mood because I'm feeling just right
How's about a corner with a table for two
Where the music's mellow in some gay rendezvous
There's no chance romancin' with a blue attitude
You got to do some dancin' to get in the mood

Sister what-ya-callin that's a kindly idea
Something swing-a-dilla would be good to my ear
Ev'rybody must agree the dancin' has charm
When you have the certain one you love in your arms
Steppin' out with you will be a sweet interlude
A builder-up with that will put me in the mood

In the mood - that's it I got it

In the mood - your ear will spot it

In the mood - oh what a hot hit

Be alive and get the jive you've got to learn how

Hep, hep, hep - hep like a hepper

Pep, pep, pep - hot as a pepper

Step, step, step - step like a stepper

We're muggin' and huggin' we're in the mood now

Sister what-ya-callin all you needed was fun
You can see the wonders that this evenin' has done
Your feet were so heavy 'til they hardly could move
Now they're light as feathers and you're right in the groove
You were only hungry for some musical food
You're positively, absolutely in the mood

Sister what-ya-callin I'm indebted to you
It all goes to show what food and fluids can do
Never felt so happy and so fully alive
Seems that jammin' jumpin' is a powerful jive
Swingeroo is giving me a new attitude
My heart is full of rhythm and I'm in the mood

In the mood - that's it I got it

In the mood - your ear will spot it

In the mood - oh what a hot hit

Be alive and get the jive you've got to learn how

Hep, hep, hep - hep like a hepper

Pep, pep, pep - hot as a pepper

Step, step, step - step like a stepper

We're muggin' and huggin' 'cause we're in the mood
