

# IT MUST BE LOVE

## Intro: 8 measures

First I get cold then hot. Think I'm on fire, but I'm not  
Oh what a pain I've got. It must be love  
There's nothing I can do. All that I want is you  
Look what I'm going through. It must be love

It must be love, it must be love  
I fall like a sparrow and fly like a dove  
You must be the dream I've been dreaming of  
Oh what a feeling, it must be love

Something is wrong, alright. I think of you all night  
Can't sleep till morning light. It must be love  
Seeing you in my dreams. Holding you close to me  
Oh what else can it be? It must be love

It must be love, it must be love  
I fall like a sparrow and fly like a dove  
You must be the dream I've been dreaming of  
Oh what a feeling, it must be love

## Instrumental break: 8 measures **stop** drums only

It must be love, it must be love  
I fall like a sparrow and fly like a dove  
You must be the dream I've been dreaming of  
Oh what a feeling, it must be love **start**

It must be love, it must be love  
I fall like a sparrow and fly like a dove  
You must be the dream I've been dreaming of  
Oh what a feeling, it must be love

It must be love, it must be love  
I fall like a sparrow and fly like a dove  
You must be the dream I've been dreaming of  
Oh what a feeling, it must be love

It must be love, it must be love  
I fall like a sparrow and fly like a dove  
You must be the dream I've been dreaming of  
Oh what a feeling, it must be love
