

I'VE BEEN EVERYWHERE

very slow I was totin' my pack along the dusty Winnemucca road
 When along came a semi with a high and canvas covered load
 "If you're going to Winnemucca, Mack with me you can ride."

So I climbed into the cab and then I settled down inside
 He asked me if I'd seen a road with so much dust and sand
 And I said, **stop** "Listen, Bud I've traveled every road in this here land."

fast I've been everywhere, man
 I've been everywhere, man
 I've crossed the deserts bare, man
 I've breathed the mountain air, man
 Of travel, I've had my share, man
 I've been everywhere.
