

LANDSLIDE

I took my love and I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow covered hills
Well the landslide brought me down
Oh, mirror in the sky, what is love
Can the child within my heart rise above
Can I sail thru the changing ocean tides
Can I handle the seasons of my life
uh uh uh uh

Well, I've been afraid of changing cause I built my life around you
But time makes you bolder, Children get older, I'm getting older too
Well,

Interlude:

Well, I've been afraid of changing cause I built my life around you
But time makes you bolder, Children get older, I'm getting older too
Well, I'm getting older too
So take this love, and take it down
Yeah if you climb a mountain and you turn around
And if you see my reflection in the snow covered hills
Well, the landslide brought you down
And if you see my reflection in the snow covered hills
Well, Maybe
Well, Maybe
Well, maybe,
The landslide will bring you down
