

LAST KISS

Intro: 6 measures

Well, where oh where can my baby be
The Lord took her away from me
She's gone to heaven, so I got to be good
So I can see my baby when I leave this world

We were out on a date in my daddy's car (ooh)
We hadn't driven very far (ooh)
There in the road, straight ahead (ooh)
A car was stalled, the engine was dead (ooh)
I couldn't stop, so I swerved to the right (ooh)
I'll never forget the sound that night (ooh)
The cryin' tires, the bustin' glass (ooh)
The painful scream that I heard last (ooh)

well, where oh where can my baby be
The Lord took her away from me
She's gone to heaven, so I got to be good
So I can see my baby when I leave this world

Well when I woke up, the rain was pourin' down (ooh)
There were people standing all around (ooh)
Something warm a running in my eyes (ooh)
But I found my baby somehow that night (ooh)
I raised her head, and then she smiled and said (ooh)
"Hold me darling for a little while." (ooh)
I held her close I kissed her our last kiss (ooh)
I found the love that I knew I would miss (ooh)
But now she's gone, even though I hold her tight (ooh)
I lost my love my life, that night (ooh)

Well, where oh where can my baby be
The Lord took her away from me
She's gone to heaven, so I got to be good
So I can see my baby when I leave this world
