

# LAY DOWN SALLY

**Intro: 8 measures guitars only rest of band starts 8 more measures**

There is nothing that is wrong  
In wanting you to stay here with me  
I know you've got somewhere to go  
But won't you make yourself at home and stay with me?  
**And don't ya ever leave**

**Lay down, Sally, and rest here in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally, there's no need to leave so soon  
I've been trying all night long just to talk to you**

**Interlude: 8 measures**

The sun ain't nearly on the rise  
we still got the moon and stars above  
Underneath the velvet skies  
Love is all that matters won't you stay with me?  
**And don't ya ever leave**

**Lay down, Sally, and rest here in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally, there's no need to leave so soon  
I've been trying all night long just to talk to you**

**Guitar solo:**

I long to see the morning light  
Colored in your face so dreamily  
So don't you go and say goodbye  
You can lay your worries down and stay with me  
**And don't ya ever leave**

**Lay down, Sally, and rest here in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally, there's no need to leave so soon  
I've been trying all night long just to talk to you**

**Lay down, Sally, and rest here in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally, there's no need to leave so soon  
I've been trying all night long just to talk to you**

**Outro: guitar solo to end**
