

LET'S GO TO VEGAS

Intro: 4 measures

Hey baby let's go Vegas kiss the single life good-bye
Hey baby, let's go to Vegas bet on love and let it ride

Lyin' on the bank of a river stars are dancin', Lord it's hot
Holding you is what I live for I just had a crazy thought

Hey baby let's go Vegas kiss the single life good-bye
Hey baby, let's go to Vegas bet on love and let it ride

We'll find a little wedding chapel a pair of rings and a preacher too
Underneath the neon steeple we'll take a gamble and say "I do."

Hey baby let's go Vegas kiss the single life good-bye
Hey baby, let's go to Vegas bet on love and let it ride

Viva Las Vegas, sparklin' lights dangerous livin' tumblin' dice
You're my ace in the hole now honey and I'm your lady luck
Pack a few things and a little money and put 'em in the truck

Hey baby let's go Vegas kiss the single life good-bye
Hey baby, let's go to Vegas bet on love and let it ride
