

# LIVING AND LIVING WELL

## Intro: Drum beat 4 measures

Had a nice little life  
A little boat, a little beach, a little routine I like  
A blue ocean view  
Free to go with the flow anywhere that I wanted to  
But the moment you set foot on my shore that's when I knew

There's a difference in living and living well  
You can't have it all all by yourself  
Something's always missing till you (ooh) share it with someone else  
There's a difference in living and living well

Till you sailed with me  
Thought that I had it good, as good as it could be  
From the back of my deck  
Caught a fish, caught a breeze and a thousand red sunsets  
But sitting here with you girl I just saw the best one yet

There's a difference in living and living well  
You can't have it all all by yourself  
Something's always missing till you (ooh) share it with someone else  
There's a difference in living and living well

stop

My days are brighter my sky a deeper blue  
My nights are sweeter when I'm with you

There's a difference in living and living well  
You can't have it all all by yourself  
Something's always missing till you (ooh) share it with someone else  
There's a difference in living  
I thought I was living  
There's a difference in living stop and living well start  
Living well  
I'm living well
