

MEET ME IN MONTANA

Intro: 4 measures

Wrote my whole life down in a notebook
Songs about you and me
Been singing to every soul in Tennessee
But nobody seems to listen
No one ever smiles the way that you do
So I guess you'll never hear me on the radio
And I'd give up this crazy dream of mine
To hold you once more

Won't you meet me in Montana?
I want to see the mountains in your eyes
Whoa, whoa I've had all of this life I can handle
Meet me underneath that big Montana sky

Well I left home for Hollywood
Looking for a part to play
Well you always said I had such a pretty face
But I guess I'm not that pretty
Cause no one looks at me the way that you do
Well you'll always be a movie star to me
And darling now I guess it's time that I let go of that dream

Won't you meet me in Montana?
I want to see the mountains in your eyes
Whoa, whoa I've had all of this life I can handle
Meet me underneath that big Montana sky

Well we're stuck here in these hills that they call mountains
But darling back home in your arms is right where I wanna be

Won't you meet me in Montana?
I want to see the mountains in your eyes
Whoa, whoa I've had all of this life I can handle
Meet me underneath that big Montana sky
In Montana
I want to see the mountains in your eyes
Whoa, whoa I've had all of this life I can handle
Meet me underneath that big Montana sky
