

MOUNTAIN OF LOVE

Intro: 4 measures Bass guitar and tambourine (band starts 2nd measure)

Standin' on a mountain lookin' down on a city
The way I feel is a dog gone pity
Teardrops fallin' down a mountainside
Many times I've been here, many times I've cried
We used to be so happy when we were in love
High on a mountain of love

Night after night I've been standin' here alone (on a mountain)
Weepin' my heart out till cold gray dawn (oh yea)
Prayin' that you're lonely and you'll come here, too (ah-ah-ah)
Hopin' just by chance that I'd get a glimpse of you
(aah) Tryin' hard to find you somewhere above
High on a mountain of love

(ooh) Mountain of love, a mountain of love
(ooh) You should be ashamed
(ooh) We used to be a mountain of love
(ooh) But you just changed your name

Way down below there's a half a million people (in a valley)
Somewhere there's a church with a big tall steeple (oh yea)
Inside the church there's an altar filled with flowers (ah-ah-ah)
Wedding bells are ringing that should have been ours
(aah) That's why I'm so lonely my dream's gone above
High on a mountain of love

Harmonica solo 12 measures
