

# MOVE IT ON OVER

## Intro:

Came in last night about half past ten, that woman of mine wouldn't let me in  
Said move it on over, (move it on over) rock it on over (rock it on over)  
Move over little dog cause the big ol' dog's movin' in

She told me not to mess around but I done let the deal go down  
Move it on over, (move it on over) slide it on over (slide it on over)  
Move over nice dog cause the mean ol' dog's movin' in

She changed the locks on my back door, now my key don't fit no more  
Move it on over, (move it on over) yeah ease it on over (ease it on over)  
Move over skinny dog cause the fat dog's movin' in

## Guitar solo:

She can crawl back to me beggin' on her knees, tired of sittin' home just scratchin' fleas  
Move it on over, (move it on over) scoot it on over (scoot it on over)  
Move over old dog cause the new dog's movin' in

## Guitar solo:

Well, listen to me dog before you start to whine, that side's yours and this side's mine  
Move it on over, (move it on over) rock it on over (rock it on over)  
Move over little dog cause the big ol' dog's movin' in

## Guitar solo:

Well, the dog house here is kind of small, but it's better than no house at all

Move over nice dog cause the mean ol' dog's movin' in
