

MUCH TOO YOUNG TO FEEL THIS DAMN OLD

Intro: 16 measures

Guitar – 8 measures

Band enters (except drums) – 8 measures

This old highway's getting longer
Seems there ain't no end in sight
To sleep would be best
But I just can't afford to rest
I gotta ride in Denver tomorrow night

(Drums enter 2/4 time)

I called the house, but no one answered
For the last two weeks no one's been home
I guess she's through with me
To tell the truth, I just can't see
What's kept the woman holding on this long

And the white line's getting longer

And the saddle's getting cold

Now I'm much too young to feel this damn old
All my cards are on the table with no ace left in the hole
Now I'm much too young to feel this damn old

Guitar solo 16 measures -- Fiddle solo 16 measures

The competition's getting younger
Tougher broncs, you know I can't recall
A worn out tape of Chris LeDoux
Lonely women and bad booze
Seem to be the only friends I've left at all.

And the white line's getting longer

And the saddle's getting cold

Now I'm much too young to feel this damn old
All my cards are on the table with no ace left in the hole
Now I'm much too young to feel this damn old

Lord I'm much too young to feel this damn old
