

# MY GIVE A DAMN'S BUSTED

## Intro: 8 measures

Well you filled up my head with so many lies,  
Twisted my heart 'til something snapped inside  
I'd like to give it one more try but my give a damn's busted

You can **crawl back home** say you were wrong  
**Stand out in the yard and cry all night long**  
Go ahead and water the lawn my give a damn's busted

I really wanna care  
I wanna feel something  
Let me dig a little deeper **stop**  
No, sorry...nothing

You can say you've got issues you can say you're a victim  
It's all your parents fault I mean after all, you didn't pick 'em  
Maybe somebody else has got time to listen my give a damn's busted

**Well you're therapist says** it was all a mistake  
**A product of the Prozac and your codependent ways**  
So, who's your enabler these days **my give a damn's busted**

I really wanna care  
I wanna feel something  
Let me dig a little deeper **stop**  
No, still nothing

## Interlude: 8 measures

It's a desperate situation no tellin' what you'll do  
If I don't forgive you, you say your life is through  
C'mon, give me something I can use **my give a damn's busted**

Well I really wanna care  
I wanna feel something  
Let me dig a little deeper **stop**  
No, man. Sorry  
Just nothing.....no  
You've really done it this time.  
Ha ha **stop**

**My give a damn's busted**
