

# NEON MOON

## Intro: 4 measures

When the sun goes down on my side of town  
That lonesome feeling comes to my door  
And the whole world turns blue.  
There's a run down bar 'cross the railroad tracks  
I got a table for two way in the back  
Where I sit alone and think of losin' you.  
I spend most every night beneath the light of a neon moon.

Now if you lose your one and only  
There's always room here for the lonely  
To watch your broken dreams dance in and out of the beams  
Of a neon moon.

I think the two young lovers are runnin' wild and free  
I close my eyes and sometimes see  
You in the shadows of this smoke filled room.  
No tellin' how many tears I've sat here and cried  
Or how many lies that I've lied  
Tellin' my poor heart, she'll come back someday  
Oh! But I'll be all right as long as there's light from a neon moon.

Oh if you lose your one and only  
There's always room here for the lonely  
To watch your broken dreams dance in and out of the beams  
Of a neon moon.

## Guitar solo: 8 measures

Jukebox plays on drink by drink  
And the words of every sad song seem to say what I think  
That this hurt inside of me ain't never gonna end.  
Oh! But I'll be all right as long as there's light from a neon moon.

Oh if you lose your one and only  
There's always room here for the lonely  
To watch your broken dreams dance in and out of the beams  
Of a neon moon.

Watch your broken dreams  
Dance in and out of the beams  
Of a neon moon.

Oh watch your broken dreams  
Dance in and out (stop) of the beams  
Of a neon moon.
