

REDNECK GIRL

Intro:

**Redneck girl likes to cruise in daddy's pickup truck
Any redneck girl plays her heart when she's down on her luck
Living for Friday afternoon
She's gonna show one old boy that weekend moon
And I pray that someday I will find me a redneck girl**

**A redneck girl likes to stay out all night long
She makes sweet rock and roll while she listens to them country songs
She's waiting for that moment of surrender
Her hands are calloused but her heart is tender
And I pray that someday I will find me a redneck girl**

**Give me a, give me a, give me a redneck girl
Give me a, give me a, give me a redneck girl**

Guitar Solo:

**Give me a, give me a, give me a redneck girl
Give me a, give me a, give me a redneck girl**

**A redneck girl got her name on the back of her belt
She's got a kiss on her lips for her man and no one else
A coyote's howling out on the prairie
A-first comes love and then comes marriage
And I pray that someday I will find me a redneck girl**

**Yeah, give me a, give me a, give me a redneck girl
Give me a, give me a, give me a redneck girl
You've got to give me a, give me a, give me a redneck girl
Give me a, give me a, give me a redneck girl**
