

# RHYTHM OF THE RAIN

## Intro: 4 measures

Listen to the rhythm of the falling rain (aah falling rain)  
Telling me just what a fool I've been (pitter patter rat tat tat)  
I wish that it would go and let me cry in vain (aah cry in vain)  
And let me be alone again (pitter patter rat tat tat)

The only girl I care about has gone away (aah falling rain)  
Looking for a brand new start (pitter patter rat tat tat)  
But little does she know that when she left that day (aah left that day)  
Along with her she took my heart (pitter patter rat tat tat)

**Rain please tell me now does that seem fair**  
**For her to steal my heart away when she don't care**  
I can't love another when my hearts somewhere far away (ooh)
