

ROCK THIS TOWN

Intro: guitar 4 measures rest of band 8 measures

Well my baby and me went out late Saturday night
I had my hair palm tied and my baby just looked so right
Well I'll pick you up at ten, gotta have you home by two
Your mama don't know what I got in store for you
But that's all right 'cause we're looking as cool as can be

Interlude: 8 measures

Well we found a little place that really didn't look half-bad
I had a whiskey on the rocks and change of a dollar for the jukebox
Well I put a quarter right into that can but all they played was disco man
Come on baby, baby let's get out of here right away

We're gonna rock this town rock it inside out
We're gonna rock this town make them scream and shout
Let's rock, rock, rock baby rock
We're gonna **stop** rock till we pop, I'm gonna rock till we drop
I'm gonna rock this town, rock it inside out

Well we're having a ball just a boppin' on the big dance floor
Well there's a real square cat he looks uh nineteen seventy-four
Well he **stop** looked at me once, he **stop** looked at me twice
Look at me again and there's uh gonna be a fight
