

SINGING THE BLUES

Intro:

Well, I never felt more like singing the blues
Cause I never thought that I'd ever lose your love dear
Why'd you do me this way?

Well, I never felt more like crying all night
Cause everything's wrong and **no**thing **ain't** right without you
You got me singing the blues

The moon and stars no longer shine
The dream is gone I thought was mine
There's nothing left for me to do but **stop** cry over you

Well, I never felt more like running away
But why should I go cause I couldn't stay without you
You got me singing the blues

Solo:

Well, I never felt more like singing the blues
Cause I never thought that I'd ever lose your love babe
Why'd you do me this way?

Well, I never felt more like crying all night
Cause everything's wrong and **no**thing **ain't** right without you
You got me singing the blues

The moon and stars no longer shine
The dream is gone I thought was mine
There's nothing left for me to do but **stop** cry over you

Well, I never felt more like running away
But why should I go cause I couldn't stay without you
You got me singing the blues
