

SOME BEACH

Intro:

Drivin' down the interstate, runnin' thirty minutes late
Singin' Margaritaville and minding my own
Some foreign car drivin' dude with a road rage attitude
Pulled up beside me talkin' on a cell phone
He started yellin' at me like I did somethin' wrong
He flipped me the bird and then he was **stop** gone

Some beach, somewhere
There's a big umbrella casting shade over an empty chair
Palm trees are growing and warm breeze is blowing
I picture myself right there
On some beach, somewhere

I circled the parking lot, tryin' to find a spot
Just big enough I could park my old truck
A man with a big cigar, was getting' into his car
I stopped and I waited for him to back up
But from out of nowhere a Mercedes Benz
Came cruisin' up and whipped **stop** right in

Some beach, somewhere
There's nowhere to go and you got all day to get there
There's cold margaritas and hot senioritas
Smiling with long dark hair
On some beach, somewhere

Well I **stop** sat in that waitin' room; it seemed like all afternoon (ooh)
The nurse finally said, doc's ready for you (ooh)
You're not gonna feel a thing, we'll give you some Novocain (ooh)
That tooth'll be fine in a minute or two (ooh)
But he stuck that needle down deep in my gum
And he started drilling before I was **stop** numb

Some beach, somewhere
There's a beautiful sunset burning up the atmosphere
There's music and dancing and lovers romancing
The salty evening air
On some beach, somewhere

On some beach, somewhere
