

SOME GIRLS

Intro: drums then piano

Some girls will, some girls won't
Some girls need a lot of lovin' and some girls don't
Well, I know I've got the fever but I don't know why
Some say they will and some girls lie

So here I am in front of you not really knowing what to do
My heart is feeling something new **stop** nervously I turn away from you
I see those looks you're sending me. Is this the way it's meant to be?
It's something we should talk about. **stop** Just give me time to work it out

Some girls will, some girls won't
Some girls need a lot of lovin' and some girls don't
Well, I know I've got the fever but I don't know why
Some say they will and some girls lie

I find your company to be something completely new to me.
Now that I know you socially **stop** obviously I'll fall heavily.
I've seen those looks you're sending me. This is the way it's meant to be.
There's nothing left to talk about. **stop** Oh, how I wish you'd work it out.

Some girls will, some girls won't
Some girls need a lot of lovin' and some girls don't
Well, I know I've got the fever but I don't know why
Some say they will and some girls lie
