

# SONGS ABOUT RAIN

**Intro: 4 measures**

Well this town has closed down way too early and there's **nothing** to do,  
So I'm driving around in circles and I'm thinkin' 'bout you,  
Today I heard you got a new last name, sure didn't know it was gonna hit me this way,  
And the radio just keeps on playin' all these songs about rain

**(Rainy Night in Georgia, Kentucky Rain)**

**(stop)** Now there's all kinds of **songs** about babies and love that goes right,  
But for some unknown reason nobody wants to play them tonight,  
Hey I hope it's sunny wherever you are, But that's sure not the picture tonight in my car,  
And it sure ain't easing my pain all these songs like

**Rainy Night in Georgia and Kentucky Rain,  
Here Comes That Rainy Day Feeling Again,  
Blue Eyes Cryin' In the Early Mornin' Rain,  
They go on and on and there's no two the same,  
Oh it would be easy to blame all these songs about rain**

Well I **thought** I was over you but I guess maybe I'm not,  
Cause when I let you go looks like lonely is all that I've got,  
Guess I'll never know what could have been, sure ain't helpin' this mood that I'm in,  
If they're gonna keep on playin' me songs like,

**Rainy Night In Georgia and Kentucky Rain,  
Here Comes That Rainy Day Feeling Again,  
Blue Eyes Cryin' In The Early Mornin' Rain,  
They go on and on and there's no two the same,  
Oh I wish I could blame all the songs about rain**

**(Rainy Night In Georgia and Kentucky Rain,  
(Here Comes That Rainy Day Feeling Again,  
(Blue Eyes Cryin' In The Early Mornin' Rain,  
(They go on and on and there's no two the same)  
(Rainy Night In Georgia and Kentucky Rain,  
(Here Comes That Rainy Day Feeling Again,  
(Blue Eyes Cryin' In The Early Mornin' Rain,)**

All these songs about rain
