

THERE YOU ARE

Intro: piano 4 measures

There you are in the early light of day
There you are in the quiet words I pray
I've been blessed by the simple happiness
Of the perfect love we've made **(drums start)**

Every time I turn around
When I'm lost and when I'm found
Like an angel standing guard
There you are

Every time I take a breath
And when I forget to breathe
You're watching over me
There you are

When I'm looking for the light in the middle of the night
Searching for the brightest star
There you are **(stop)**

There you are in standing in a crowded room
There you are the earth and I'm the moon
My desire is to stand by the fire
That burns inside of you

Every time I turn around
When I'm lost and when I'm found
Like an angel standing guard
There you are

Every time I take a breath
And when I forget to breathe
You're watching over me
There you are

When I'm looking for the light in the middle of the night
Searching for the brightest star
There you are **.... (hold for 4 measures)**

When I'm looking for the light in the middle of the night
Searching for the brightest star **(stop)**
There you are

There you are, there you are
