

TODAY I STARTED LOVING YOU AGAIN

Intro: 2 measures guitar only

Today I started loving you again
I'm right back where I've really always been
I got over you just long enough to let my heartache mend
And today I started loving you again

Rest of band starts

What a fool I was to think I could get by
With only these few million tears I've cried
I should have known the worst was yet to come
And the crying time for me had just begun

Cause today I started loving you again
And I'm right back where I've really always been
I got over you just long enough to let my heartache mend
Then today I started loving you again

Interlude: 8 measures

I got over you just long enough to let my heartache mend
Then today I started loving you again

Oh today I started loving you again
