

WHAT ABOUT NOW

Intro: 8 measures drums start in 4th measure

The sign in the window said, "For Sale or Trade"

On the last remaining dinosaur Detroit made

Seven hundred dollars was a heck of a deal for a

Four hundred horsepower jukebox on wheels

And that road rolls out like a welcome mat

I don't know where it goes but it beats where we're at

We always said some day, somehow

We're gonna get away gonna blow this town **stop**

What about now? How about tonight?

Baby for once let's don't think twice

Let's take that spin that never ends

That we've been talking about

What about now? Why should we wait?

We can chase these dreams down the interstate (ooh)

And be long gone 'fore the world moves on (ooh)

And makes another round What about now?

We've been puttin' this off baby long enough
Just give me the word and we'll be kickin' up dust

We both know it's just a matter of time

'Till our hearts start racin' for that county line **stop**

What about now? How about tonight?

Baby for once let's don't think twice

Let's take that spin that never ends

That we've been talking about

What about now? Why should we wait?

We can chase these dreams down the interstate (ooh)

And be long gone 'fore the world moves on (ooh)

And makes another round What about now?

We could hang around this town forever makin' plans (ooh)

But there won't ever be a better time to take this chance

What about now? How about tonight?

Baby for once let's don't think twice

Let's take that spin that never ends

That we've been talking about

What about now? Why should we wait?

We can chase these dreams down the interstate (ooh)

And be long gone 'fore the world moves on (ooh)

And makes another round What about now?

Yea oh oh what about now
