

# WHERE THE BLACKTOP ENDS

## Intro: 8 measures

Gonna kick off my shoes and run in bare feet where the grass and the dirt and the gravel all meet

Going back to the well gonna visit old friends and feed my soul (stop) where the blacktop ends

I'm looking down the barrel of Friday night riding on a river of freeway lights  
Goodbye city I'm country bound 'til Monday rolls around

Gonna kick off my shoes and run in bare feet where the grass and the dirt and the gravel all meet

Going back to the well gonna visit old friends and feed my soul (stop) where the blacktop ends

## Guitar solo: 8 measures

Working in the grind is an uphill road but punching that clock, carrying that load  
I bust it all week and then I'm free, the weekend belongs to me

Gonna kick off my shoes and run in bare feet where the grass and the dirt and the gravel all meet

Going back to the well gonna visit old friends and feed my soul where the blacktop ends

So come on, give me some fresh air, give me that farm, give me some time with you in my arms (in my arms)

Far away from the hustle and the pressure and the noise (stop)

## (Just drums and tambourine)

Gonna kick off my shoes and run in bare feet where the grass and the dirt and the gravel all meet

(Lead Guitar) Going back to the well gonna visit old friends and feed my soul  
You betcha

## (Band starts again)

Gonna kick off my shoes and run in bare feet where the grass and the dirt and the gravel all meet

Going back to the well gonna visit old friends and feed my soul where the blacktop ends

Where the blacktop ends, where the blacktop ends
