

X's AND O's

Intro:

Phone rings, baby cries, TV diet guru lies. "Good morning, honey."
Go to work, make up, try to keep the balance up, between love and money.

She used to tie her hair up in ribbons and bows, sign her letters with X's and O's.
Got a picture of her momma in heels and pearls.
She's tryin' to make it in her daddy's world.
She's an American girl. An American girl.

Slow dance, second chance, momma needs romance, and a live-in maid.
Fix the sink, mow the yard, really isn't all that hard, if you get paid.

She used to tie her hair up in ribbons and bows, sign her letters with X's and O's.
Got a picture of her momma in heels and pearls.
She's tryin' to make it in her daddy's world.
She's an American girl. An American girl.

Well, she's got her God, and she's got good wine, Aretha Franklin, and Patsy Cline.

She used to tie her hair up in ribbons and bows, sign her letters with X's and O's.
Got a picture of her momma in heels and pearls.
She's tryin' to make it in her daddy's world.
She's an American girl. An American girl. She's an American girl.

Instrumental break:

She used to tie her hair up in ribbons and bows, sign her letters with X's and O's.
Got a picture of her momma in heels and pearls.
She's tryin' to make it in her daddy's world.
She's an American girl, Yeah.

But she tied her hair up in ribbons and bows,
Signed her letters with X's and O's. X's and O's. X's and O's.
