

YOU MAY BE RIGHT

Intro: 6 measures (drums start on 4th measure)

Friday night I crashed your party, Saturday I said I'm sorry
Sunday came and trashed me out again,
I was only having fun, wasn't hurting anyone
And we all enjoyed the weekend for a change

I've been stranded in the combat zone; I walked through Bedford Stuy alone
Even rode my motorcycle in the rain,
And you told me not to drive, but I made it home alive
So you said that only proves that I'm insane

You may be right I may be crazy,
But it just may be a lunatic you're looking for
Turn out the lights; don't try to save me,
You may be wrong for all I know but you may be right

Interlude: 4 measures

Remember how I found you there alone in your electric chair
I told you dirty jokes until you smiled,
You were lonely for a man, I said, "Take me as I am"
'Cause you might enjoy some madness for awhile

Now think of all the years you tried to
Find someone to satisfy you,
I might be as crazy as you say,
If I'm crazy then it's true, that it's all because of you
And you wouldn't want me any other way

You may be right I may be crazy,
Oh, **but it just may be a lunatic you're looking for**
It's too late to fight; it's too late to change me,
You may be wrong for all I know but you may be right

Interlude: 2 measures, guitar solo: 8 measures, sax solo: 8 measures

You may be right. I may be crazy.
Hey, but it just may be a lunatic you're looking for
Turn out the lights ah don't try to save me,
You may be wrong for all I know you may be right,
You may be wrong but you may be right,
You may be wrong but you may be right,
You may be wrong but you may be right
