

YOU WERE MEANT FOR ME

Intro: 8 measures (brushes after 4 measures)

I hear the clock, it's six a.m.
I feel so far from where I've been
I've got my eggs I've got my pancakes too
I've got my maple syrup, everything but you

I break the yolks and make a smiley face I kind of like it in my brand new place
Wipe the spots off of the mirror don't leave my keys in the door
I never put wet towels on the floor anymore 'cause

Dreams last so long even after you're gone
I know that you love me and soon you will see
You were meant for me and I was meant for you **(stop)**

I called my momma; she was out for a walk
Consoled a cup of coffee but it didn't want to talk
So I picked up the paper, it was more bad news
More hearts being broken or people being used
Put on my coat in the pouring rain I saw a movie it just wasn't the same
'Cause it was happy oh I was sad and it made me miss you oh so bad cause

Dreams last so long even after you're gone
I know that you love me and soon you will see
You were meant for me and I was meant for you

I Go about my business, I'm doing fine
Besides, what would I say if I had you on the line
Same old story, not much to say hearts are broken every day **(stop)**

Interlude: 8 measures same as intro

I Brush my teeth I put the cap back on I know you hate it when I leave the light on
I pick a book up and then I turn the sheets down and then I
Take a deep breath and a good look around
Put on my pj's and hop into bed I'm half alive but I feel mostly dead
I try and tell myself it'll all be all right I just shouldn't think anymore tonight cause

Dreams last so long even after you're gone
I know that you love me and soon you will see
You were meant for me and I was meant for you
Yeah you were meant for me and I was meant for you
