

YOUR MAMA DON'T DANCE

Intro: 8 measures (drums start after 4 measures)

Your mama don't dance and your daddy don't rock and roll
Your mama don't dance and your daddy don't rock and roll
When evening rolls around and it's time to go to town
Where'll you go to rock and roll

The old folks say that you gotta end your day by ten
If you're out on a date and you bring it home late it's a sin
You just say no excuse and you know you're gonna lose you never win
I'll say it again **stop**

And it's all because

Your mama don't dance and your daddy don't rock and roll
Your mama don't dance and your daddy don't rock and roll
When evening rolls around and it's time to go to town
Where'll you go to rock and roll **1 2 3 4**

Guitar solo: 24 measures

You pull into a drive-in you find a place to park
You hop into the back seat where you know it's nice and dark
You're just about to move and your thinking it's a breeze
There's a light in your eye and then a guy says **stop** (out of the car long hair)
Louie you're coming with me to the local police **stop**

And it's all because

Your mama don't dance and your daddy don't rock and roll
Your mama don't dance and your daddy don't rock and roll
When evening rolls around and it's time to go to town
Where'll you go to rock and roll
Where'll you go to rock and roll
Where'll you go to rock and roll
